Business Communication Games is a collection of thirty-six photocopiable games and activities for learners of Business English. The collection includes a range of games suitable for large classes, small groups, and even one-to-one teaching. Business Communication Games aims at initiating real communication between students as a preparation for the kind of communication skills they need to use at work. The games offer a motivating and enjoyable framework for intensive and meaningful practice in the Business English classroom, and cover a wide range of the topics typically studied in Business English courses. The types of game are similarly varied, including matching and guessing games, board games, card games, ranking games, puzzles, and more.
